BIO:

Started in 1991 running a small recording label & making release covers for other small recording labels. Today, works as a Creative Consultant for Corporate Businesses, Non-Profit, and Up-Start Businesses. In 2010 has begun a side venture as a life coach.

Strong skillset in project management & workflow function(s), color & priority organization for marketing collateral(s), project displays, process related information taxonomy for ad & web, visual social marketing and web interfaces, has crafted 1,000's of print ads and spear-headed 16 successful ad campaigns.

Works well in small directed creative groups, yet prefers creative autonomy. Works on PC & MAC, Creative Suit CS5 (PS, ILL, IND, FL, AF, DW), Soundforge, Fuityloops, Ableton Live, Microsoft Office (Word, Excel, etc.) & much more. Understands Green design, prefers unlimited access to all needed materials & graces.

In 1994 skipped college to start the recording lable Will Crushed Communications, later become DOCTSECT.COM. Has considered going back to teach design etiquette in the post social media age.
